Being diagnosed with Multiple Sclerosis can leave people feeling very alone and bewildered as to what to do next.

If you need help or advice or just someone to talk to we are here for you.

Whether you're a person with MS, a carer, relative or just a friend the Gosport and Fareham Group offers you a warm welcome.

We understand MS, you can make friends and get support. Join us in some of our regular activities, details of which you can get from the Diary on the website along with the contact name of the person running the activity.

Like us on Facebook and we will keep you up to date with our events and activities.

**Remember
You are not alone!**

Here is a list of some of our regular and varied activities :-

Group exercise (physio) -

Held on alternate Thursdays and led by a neuro physio the class is suitable for all abilities. There is the opportunity for individual help from a physio or treatments such as a massage. It is followed by a home cooked meal which giving the opportunity to chat with other participants. For details ring Juliette on 02392 581406 or check out the website.

Yoga - Held on alternate Tuesdays and is suitable for all abilities. Sit in a chair, remain in a wheelchair or sit on the floor, the choice is yours. We finish with a hot drink and a chat. Ring Mave on 02392 641124 for more information or check out the website.

Craft Group - Held on the 2nd Monday of each month. You may discover hidden talents! A different craft is tackled each month. Ring Ruth on 01329 318451 to find out more information and to book a place. It is rather popular you know!

Tea and Chat - Held on the 3rd Wednesday of each month at the Discovery Centre in Gosport. You can find us in the café sampling the lovely cakes. Give Jo a call on 07758 699080 for more information or check out the website.

Plus a range of other social activities and fundraising challenges.

You do not have to be a member of the MS Society to come along - but if you do join (for £5 a year) you will receive an excellent bi-monthly award winning magazine - MS Matters, and our regular local newsletters.
